# INSIGHT<sup>a</sup>

## DOOR BLOCKING DEVICE

.....  
.....  
.....

..... **Simple**  
..... **Fast**  
..... **Reliable**

The INSIGHT Door Blocking Device prevents doors from being closed by people or other external circumstances.

The line of movement and view remain clear thanks to the special opening and locking mechanism.

Used as a block stick, INSIGHT offers protection against unexpected attacks.

The INSIGHT Door Blocking Device can be used quickly and reliably thanks to its simple handling.

*Detailed information can be found in the operating manual.*
