| <input type="checkbox"/> Load capacity IVECO Daily 35C to 4200 kg total weight [only in combination with Lane departure warning and Advanced emergency braking system - AEBS] | on request |

Note, Specific agreements:

General:

- The conversion time is about 6-8 weeks after delivery of the base vehicle. Delivery only possible after approval by Achleitner.
- The sales prices indicated are net amounts.
- Our terms of sale and delivery apply. These can be found on the internet at www.achleitner.com/de/agb.
- All wheel drive components installed by Achleitner are covered by a one-year warranty. Further used or reworked components are excluded from any warranty claims.
- Worn/broken components of the base vehicle or unforeseeable additional expenses will be charged to the customer up to a total amount of 500,00 € without further consultation. Additional costs of more than 500,00 € need to be released by the customer.
- By placing an order, you confirm the correctness and completeness of the data specified in this order. Additional expenses resulting from incorrect or missing information will be fully charged to the customer.
- Changes and additions after placing the order can only be agreed in written form.
- Delivery and collection of vehicles:
