ACHLEITNER IVECO DAILY 4X4

POWER WITH PERMANENT 4WD

Those who spend most of their working day behind the Steering wheel spend for which should be comfort and Driving experience come first. The connection the well-known and valued driving characteristics of the IVECO Daily in combination with the tried and tested All-wheel drive technology from Achleitner result in the ACHLEITNER IVECO DAILY 4X4.

The IVECO serves as the base vehicle.

This makes the ACHLEITNER IVECO DAILY 4X4 a Versatile vehicle with outstanding properties. As comfortable as a car, as strong and robust as a truck.

ACHLEITNER IVECO DAILY 4X4 with permanent Heavy-duty all-wheel drive system is perfect for all jobs in tough off-road use.

The ACHLEITNER IVECO DAILY 4X4 combines opposites and makes the seemingly impossible possible.
