**General:**

- The conversion time is approx. 10-12 weeks after delivery of the base vehicle. These are non-binding times which depend on the lead time, the suppliers and much more.
- The conversion price takes into account that series parts that are not reused remain with Achleitner.
- The sales prices indicated are net amounts.
- Our terms of sale and delivery apply. These can be found on the Internet at [www.achleitner.com/de/agb](http://www.achleitner.com/de/agb).
- Construction and conversions on the base vehicle may only be carried out after all-wheel conversion has been carried out (expect for platform superstructures and 3-side tippers).
- By placing an order, you confirm the correctness and completeness of the data specified in this order. Additional expenses resulting from incorrect or missing information will be fully charged to the customer.
- Changes and additions after placing the order can only be agreed in written form.
- Delivery and collection of the vehicles:
